

Miss Lagotte

Chocolate *Chalet*

Step inside Chocolate Chalet, a mountain lodge hideaway inspired by alpine escapes and the simple pleasure of being wrapped in warmth. Rooted in cabin-core ease and an alpine soul, the collection is designed to feel like a hug, paired with a mug of hot chocolate. A warm, grounded palette of mousse au chocolat and soft alpine pinks sets the mood. Checked jersey garments, dark wood-toned leopard prints, and furry knits cocoon the body in softness. Each piece is a tastefully rich layering essential. It ain't no mountain high enough for this cosy getaway.
